Find Inspiration

WΔO

Just because it's popular, doesn't make it the right choice.

When choosing tools, there are a lot of considerations.
For this programme, we focused on three things:

- Can you get in and out?
- Can you use it for free?
- Is it cross platform?

Some other considerations:

- Pricing Structure
- Platform Privacy
- Technical Expertise for Install & Maintenance
- Training Requirements

techsoup

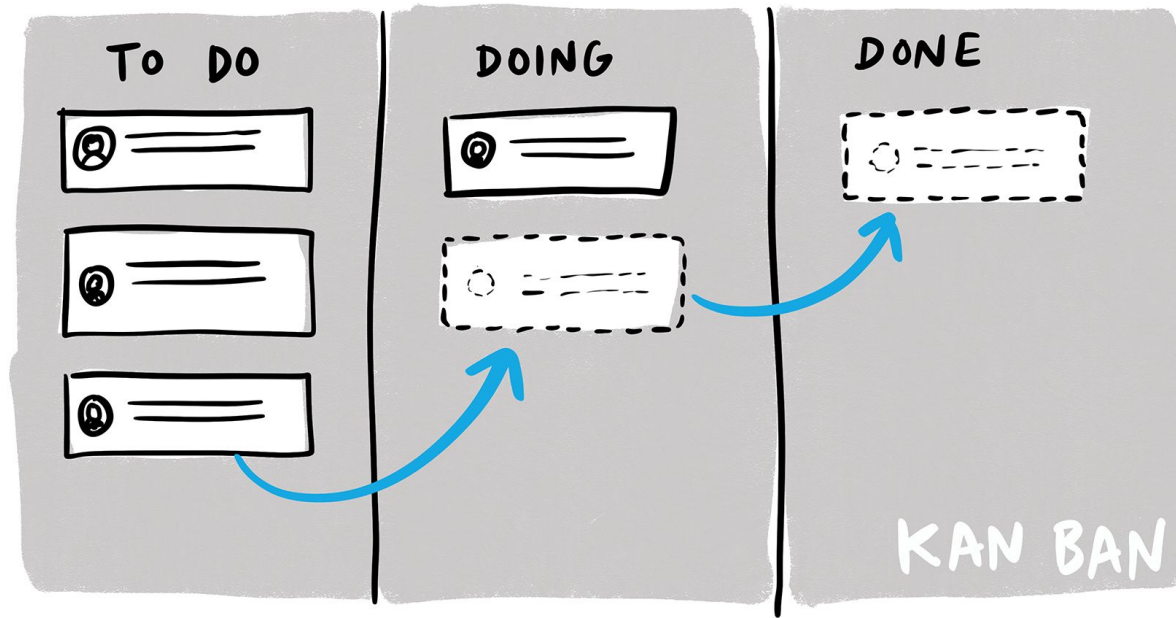

We also get inspiration from...

Each other!
